

LOYANG VIEW SECONDARY SCHOOL

A Community of Lifelong Learners, Future-Ready Leaders & Active Citizens

2 July 2025

Dear Parents/Guardians,

Welcome back to a new Semester!

We hope you had a meaningful and restful school holiday with your child/ward. The upcoming Semester will be an exciting one, filled with opportunities for our students to be developed holistically as *Lifelong Learners, Future-Ready Leaders and Active Citizens*.

A. Semester 2 Calendar of Events

Our Semester 2 Calendar of Events is found in Annex A for your reference. We aim to provide you with timely information to keep track of important dates and events. We seek your understanding if changes are made during the semester and will keep you updated accordingly. Our school calendar remains accessible via our school website and Parents Gateway under 'Services'. We also encourage you to have conversations with your child/ward about their involvement in the various school programmes.

Some highlights for Semester 2 include:

- **Hosting Exchange Students from Overseas Partner Schools:**
Our school will be hosting students from Thailand and China in Term 3. Selected students who are involved in the Singapore-Thailand Enhanced Partnership (STEP) programme (6 July to 12 July 2025) or those serving as buddies for visiting students from Xixi Middle School, Hangzhou (24 July 2025) will gain valuable cross-cultural experiences and develop global competencies.
- **SG 60 commemoration:**
As part of our SG60 celebrations, we will reflect on our nation-building journey and celebrate how far we've come, through the following events:
 - Racial Harmony Day on 25 July 2025, themed "*Our People, Our Tapestry*", will highlight the richness of Singapore's multicultural society. Students are encouraged to wear their ethnic attire and share stories about their cultural identity with peers.
 - National Day Celebrations on 8 August 2025 will see students and staff dressed in national colours as we engage in meaningful activities that underscore our role as active citizens. As we commemorate 60 years of independence, we are reminded to look ahead with hope, courage, and unity. We will also host our signature Farmers' and Makers' Market 2 as part of this celebration. Students will be dismissed at 10:30 a.m. on this day.

LOYANG VIEW SECONDARY SCHOOL

A Community of Lifelong Learners, Future-Ready Leaders & Active Citizens

▪ Talent Development Programmes:

A wide range of student development experiences in Semester 2 will deepen students' interests and passions. These include:

- Learning journeys and workshops under our Applied Learning Programme (ALP), Lifelong Learning Programme (LLP), and programmes in the arts and sciences
- Platforms for students to showcase talents such as Kaleidoscope and Sports Carnival

Selected students will also participate in our final three Overseas Educational Programmes (OEP) for the year:

- Innovation and Applied Learning Trip to Seoul, South Korea: 5 – 10 September 2025
- Sustainability and Culture Trip to Shanghai and Hangzhou, China: 26 October – 1 November 2025
- Boys' Brigade Cultural and Exchange Trip to Phrao and Chiang Mai, Thailand: 7 – 12 November 2025

These programmes allow students to gain new perspectives, develop global awareness, and grow in their respective areas of interest. We strongly encourage all students to actively participate in these enriching experiences.

You can follow us on Facebook at <https://www.facebook.com/loyangviewss/> to see what our students are up to!

B. Supporting our Graduating Cohort

Our graduating students will sit for their National Examinations in Semester 2, beginning with the Listening Comprehension and Oral Examinations in Term 3, and culminating in the written examinations by Term 4. Students are encouraged to take ownership of their learning, stay on top of their examination schedule, and be prepared and punctual for their examinations.

As a school, we will continue to support our graduating students through ongoing academic support such as study club sessions and consultations with teachers. Education and Career Guidance (ECG) by our teachers and school ECG counsellor help guide our students in working towards their chosen pathway. During this period, some students will take part in the Early Admission Exercise (EAE) for ITE/Polytechnics and Direct School Admissions (DSA) – JC. We encourage parents/guardians to have open conversations with your child/ward about their post-secondary education options. You may take the opportunity to explore the websites of different Junior Colleges/Polytechnics/ITEs during this period to find out more about what they have to offer.
