24 October 2025

Dear Parents/Guardians,

As the school year draws to a close, we take heart in the meaningful journeys our students have taken to realising their potential. Over the past year, they have indeed grown and developed holistically through a wide range of opportunities and experiences. Looking ahead, we would like to highlight a few gentle reminders.

A. Administrative matters

▪ Financial Assistance Scheme Application 2026

There are changes to the application process and eligibility criteria for the MOE Financial Assistance Scheme from 2026. With the new guidelines, applicants can expect the process to be simpler. The application for Financial Assistance Scheme will start from 21 October 2025. Please refer to the details from MOE HQ via Parents' Gateway (PG) sent out earlier.

▪ Travel Declaration

To ensure that schools continue to be a healthy and safe environment for all, we require parents/guardians to make a travel declaration for students who will be travelling during the holidays.

To submit a travel declaration for your child/ward via PG, go to [SERVICE > DECLARE TRAVELS]. Please declare your child/ward's travel plan(s), indicating both the country and city of travel, and any city of transit, by Friday, 31 October 2025. Only one parent is required to make the declaration.

No action is required if your child is not travelling.

If there are changes in your travel plans, kindly update your declaration in Parents Gateway. For travel guidelines and updates, visit: <https://www.ica.gov.sg/enter-transit-depart>

▪ Purchase of books and uniforms for Academic Year 2026

The 2026 booklist will be given to your child/ward. There are 3 different modes of purchases – online, walk-in and pre-order. In order to avoid long queues and waiting time for walk-in sales, we encourage parents to pre-order your purchases or order online.

You may also find the details of the sales schedule for books and uniform on our school's website or refer to Annex A for more information.

B. Joint Advisory by External Agencies

Singapore Police Force, Central Narcotics Bureau, National Crime Prevention Council and National Council Against Drug Abuse have jointly provided an advisory in the form of infographics to remind students on crime-related issues. Health Promotion Board and Health Sciences Authority have also jointly provided an advisory to remind students of the harms and illegality of vaping.

We urge parents to spend time with your child/ward to alert them to the dangers of common crimes such as online scams, underaged smoking/vaping and to protect themselves from becoming victims of crime. Please refer to the attachment in the link.

C. Looking Ahead – Grow Well SG

As part of the Grow Well SG initiatives to nurture healthier lifestyles in our students, the school will be exploring ways to help our students 'Sleep Well', 'Eat Well', and 'Learn Well'. This include reviewing our school start time and introducing measures to promote healthy screen use. To encourage students to develop healthier sleep habits, we will be shifting our school start time to **7.50 am** on Mondays to Fridays starting **2 January 2026**. More details will be shared with parents before the start of the 2026 school term.

We wish you a meaningful end of year break with your family!

Should you have any questions, do feel free to contact the school at 6582 1727, or email us at loyangview_ss@moe.edu.sg. Thank you continued support and partnership in the holistic development of your child/ward. We look forward to receiving your child back in school on Friday, 2 January 2026.

Yours faithfully

Mr Eugene Lin
Principal
